

Hello Everyone,

Here is the first issue of your own newsletter, produced by the *Girls Work Resource Unit at the Training and Resources Unit currently based at Borwick Hall.*

The unit was established in March 1987 as a central resource for material and training aimed at women youth workers developing work with girls and young women.

We want to use our resources to give you and ourselves the chance to inform, make links, exchange ideas and express views about girls' work related issues.

This newsletter is a pilot and open to your ideas and what you feel it needs to cover.

So read it, talk about it and *let us know what you think.*

Write to us or ring us from your club on (0524) 735375 at any time that's best for you - you can leave a message on the answerphone and we'll get back to you.

EDITORIAL

Welcome to our first newsletter. We hope that you find it interesting and informative.

We have recently been discussing some of the issues and dilemmas of working with girls and we wonder if you have any ideas or opinions you wish to share. For example:

Does equal mean the same?

Should 52% of the population (in youth clubs) have 52% of the resources available to them?

Let us know what you think.
