Dear Diane Buckley

UK/SPANISH PARTNER GROUP LINKING

Thank you for completing and returning a YEC Partner Group Request Form.

On the form you did not specify which country you wish to exchange with so we have matched you with a Spanish group from Barcelona. I enclose a copy of their request. You should now make contact with the organiser to begin discussing the possibilities of establishing an exchange. We have no further details of the Spanish group.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Hilary Jarman', written in a cursive style.
