# Young Women talking

A

four week course to discuss ideas,

problems, or anything you feel is  
important about being a parent

every Thursday at the W.S.C  
12-30pm 3pm from 17th Nov - 8th Dec

Childcare provided free free

Just what is the Right food!  
What are E additives!  
Which ones are dangerous!

Childrens behavior just  
what is right & wrong  
& what can we do about it

When should I start  
potty training ???

**YOU & YOUR CHILD**

**Bedwetting**

My seven-year-old son still wets the bed. But why has my GP told me to take him to a psychiatrist? My son has nothing wrong with him and I'm scared the psychiatrist might see problems where they don't exist.

How to keep our children safe in the home, on the street, and even more importantly how to protect them from Abuse
