Dear

Tramlines Young Womens Trip to France

We hope that you enjoyed your trip to France last May. We would like to take this opportunity in congratulating you in your fundraising efforts and for undertaking such a remarkable adventure.

This was the first ever trip abroad for young women from Platt Bridge and we need to know from you about the positive and negatives of organising and taking part in the holiday, to enable us to help other groups that may learn and be inspired by your experiences.

Please could you put into your own words how you organised the holiday? What was good and bad about it? Would you do it again? What have you gained or learnt from the holiday and about the places you visited?

We look forward to hearing from you, and if you have any questions please ask the workers you went away with or ring the above telephone number.

Yours sincerely,
