Dear Carmen

Hi my name is Diane I am from Bramlins young women's group I am writing to thank you for the information you sent us about the exchange, and tell you a bit about what goes on at the young women's group.

We are a young women's group aiming to go abroad on a holiday in time to come but we have children as well and most of the time it is a problem, because so where we go we have to take the children with us, and we have to provide a crèche, most of the time we can't get a crèche and we can't do the activities we want to do.

There is 10 children in our group it is difficult for us to gain the experience we want with the kids. Could you please send us some information on whether the children can go, and what facilities you have got for them. Could you please write back and send some information we would really appreciate it.

on behalf of the young womens group

Diane Buckley
